Better yet, join us at NWSM! We are an informal scale modeling club based at Seattle's Museum of Flight. We build all subjects, not just aircraft. We have no officers, no newsletter, no by-laws, no dues. We do have fun with discussion, show-and-tell, and generous exchange of ideas, techniques, information. We stage cool model displays in The Museum of Flight lobby, and we host this major model show each February. We meet in the Museum's Red Barn every Free First Thursday at 7 PM. See you there!
